

COMMUNITY ASSISTING RECOVERY, INC., CARE

- CARE is an educational 501c3 non-profit California corporation established by San Fernando Valley community leaders after the 1994 Northridge Earthquake. Our Tax ID# is: 95-4484333. CARE provides free recovery information publications, seminars, workshops, training and individual guidance for disaster victims.
- All CARE volunteers and staff have lost their homes and successfully recovered from fire or earthquake disasters. CARE's team is passionate about the work we do. It is the passion for "paying it forward" that draws survivors back to our organization to help survivors of the next disaster.

MISSION STATEMENT

CARE's mission is to provide free comprehensive information about disaster recovery, including the insurance claim process, to disaster survivors so they may effectively reestablish their homes, lives and communities.

CARE FUNDING

We are funded solely by grants and the generosity of individuals. CARE does not accept donations or funding from any entity that may represent a conflict of interest. We do not accept donations from public adjusters, builders, construction estimators or attorneys. We do not solicit donations from disaster victims while they are going through their recovery.
